

The Komodo Explorer

For luxury and adventure

Explore the Komodo National Park

The Komodo National Park is an exceptional cruising and diving destination, with hundreds of small islands, secluded bays and pristine private beaches. Beneath the sea the diving and snorkelling will delight people of all ages. On shore the islands pink sand beaches are patrolled by living dinosaurs - The legendary Komodo Dragons.

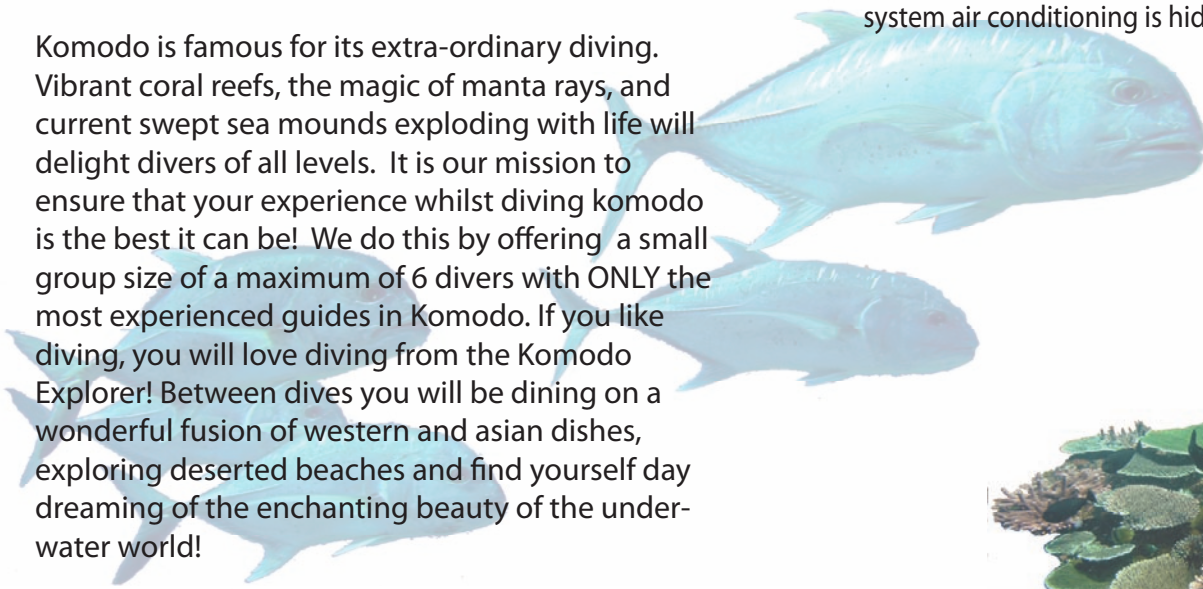

Cruise in Style and Comfort

A liveaboard is the idealic way to cruise, explore and dive this region in style and comfort. The Komodo Explorer is suitable for groups of between 6 and 8 persons. Built in indonesia she is a modern modified pinisi with a high quality teak finish throughout. There are 4 cabins, a spacious lounge and dining area, sundecks, and a well equipped kitchen. She is designed to make you feel at home, whilst taking you to places beyond your imagination!

This vessel is fully air conditioned, and her open plan galley is equipped with all the amenities one would expect in a vessel of this class. The well designed compact cabins feature lots of storage, generously sized beds and are immaculately finished. The split system air conditioning is hidden in the cabin walls.

Dive into the Heart of Biodiversity

Komodo is famous for its extra-ordinary diving. Vibrant coral reefs, the magic of manta rays, and current swept sea mounds exploding with life will delight divers of all levels. It is our mission to ensure that your experience whilst diving komodo is the best it can be! We do this by offering a small group size of a maximum of 6 divers with ONLY the most experienced guides in Komodo. If you like diving, you will love diving from the Komodo Explorer! Between dives you will be dining on a wonderful fusion of western and asian dishes, exploring deserted beaches and find yourself day dreaming of the enchanting beauty of the underwater world!
